## Key

Courses to be taught at block weeks

Professional Teaching Practice

## Notes

📖 This timeline has been developed as a tool to manage workload.

📖 To enable completion of the stage within one year this timeline should be followed.

📖 Dates given for submission during the year are a guide.

📖 Students are strongly encouraged to use this timeline as a tool to:

- Guide their study
- Note the date that an assessment has been submitted to the College
- Note the date that an assessment is returned

📖 Extensions are not required for individual assessments.

📖 Students who choose to move to a new stage at the next available block week (e.g. 1 year) must meet assessment submission dates marked in the following way:

\* Final submission date for all assessments including all outstanding resubmits

\*\* Final submission date for any assessment noted as exception. Note one resubmit opportunity is available for this assessment.

📖 Failure to meet the submission dates requirement specified on the assessment timeline will impact on a student's ability to attend block week.

📖 Course Outlines distributed at the beginning of the course include the name of the tutor responsible for that course.

📖 Assessment timelines are available on the New Zealand College of Early Childhood Education website: [www.teacher.co.nz](http://www.teacher.co.nz)
