Courses to be taught at block weeks

Professional Teaching Practice

## Notes

-  This timeline has been developed as a tool to manage workload.
-  To enable completion of the stage within one year this timeline should be followed.
-  Dates given for submission during the year are a guide.
-  Students are strongly encouraged to use this timeline as a tool to:
  - Guide their study
  - Note the date that an assessment has been submitted to the College
  - Note the date that an assessment is returned
-  Extensions are not required for individual assessments.
-  Students who choose to move to a new stage at the next available block week (e.g. 1 year) must meet assessment submission dates marked in the following way:
  -  \* Final submission date for all assessments including all outstanding resubmits
  -  \*\* Final submission date for any assessment noted as exception. Note one resubmit opportunity is available for this assessment.
-  Failure to meet the submission dates requirement specified on the assessment timeline will impact on a student's ability to attend block week.
-  Course Outlines distributed at the beginning of the course include the name of the tutor responsible for that course.
-  Assessment timelines are available on the New Zealand College of Early Childhood Education website: [www.teacher.co.nz](http://www.teacher.co.nz)
